

**Amendment No. 2 to ITB No.: SAMS - FIND- EQUIPMENT  
AMC-01/2014 for Selection of Agency for Providing Annual  
Maintenance Services for Equipment in various TB Labs**

One of the prospective bidder have sought information in regard to Model No. / Make and dimension of two equipment Walk-in-Cooler and Walk-in-Incubator included through an Amendment No. 2 dated 15<sup>th</sup> February 2014.

Clarification has been received that "The size for walk in cold room & incubator varies amongst the labs and their maximum size is 10ftX12ftX8Ft at the labs."

Please accordingly consider the above in finalizing your bids.
