Strategic Alliance Management Services Pvt. Ltd.

About SAMS

SAMS is a premier, multi-disciplinary management consultancy, exclusively focussed on servicing the public health and development sectors. Possessing over 22 years of experience in providing best in class consultancy services in HR Consulting, Procurement and Supply Chain Management, Training & Capacity Building and Management Consultancy Services, SAMS has an enviable list of clients, including premier international and national non-profits, bilaterals and UN agencies. We also work in close collaborations with MoHFW, GoI and various state governments.

Head-quartered in Delhi, with operations spread across the country and offices in six states, SAMS has extensive reach into the remotest districts of India.

Our Vision & Philosophy

We aspire to provide our clients with high quality, consistent, cost effective and excellent services, recognized as industry benchmarks, for all the domains in which we are represented.

Our Services

Procurement & Supply Chain Management

SAMS has been involved in the procurement of drugs, diagnostic kits, equipment, medical supplies and related services for various National / International Agencies. SAMS follows principles of transparency, competition; economy; efficiency; fairness and accountability.

Training and Capacity Building

SAMS has been involved in extensive trainings for large public health programmes, imparting knowledge, right skill sets and developing abilities. SAMS has trained more than 27,000 officials since the Year 2005 in various aspects of public health.

Recruitment & Payrolling / Third Party Outsourcing

SAMS has and continues to work closely with a range of bi-laterals, UN agencies, INGOs/ NGOs, GOI and State Government organizations since 1997 for HR recruitment, selection and payrolling processes, having unmatched track record of more than 9,000 successful senior level selections.

Management Consultancy Services

SAMS has been providing management consultancy services in the areas of project reviews and capacity assessment, business re-organization and governance, business process reengineering, including designing and instituting efficient management processes.

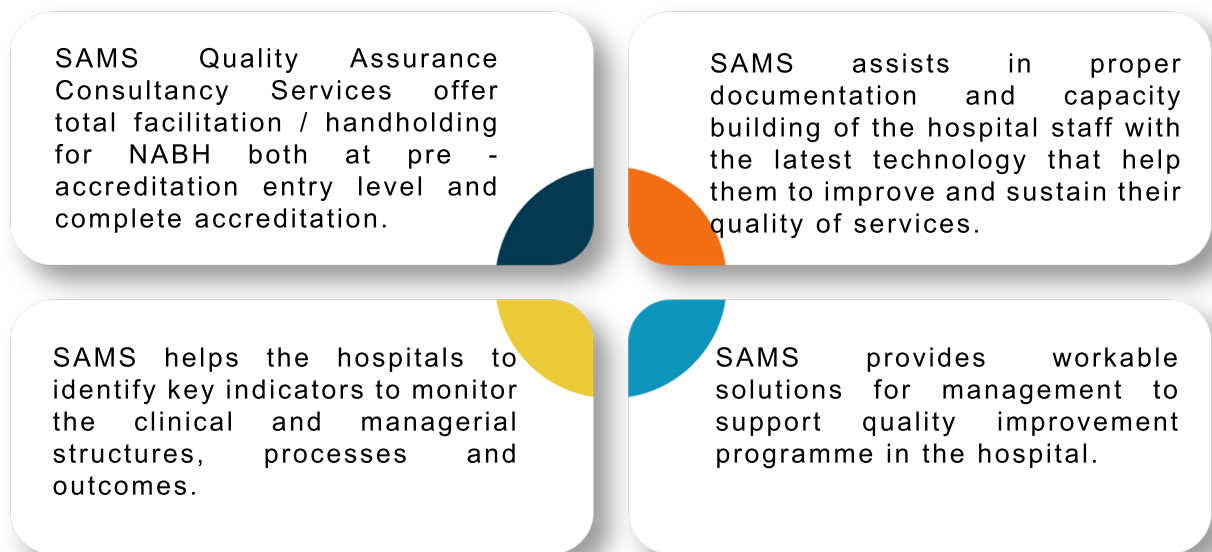

Our Clients

NABH/NABL Accreditation

- NABH accreditation is a standard quality assurance process of self and external evaluation at par with international quality standards for healthcare provider sector.
- Accreditation is given by National Accreditation Board for Hospitals and Healthcare Providers (NABH), an institutional member of the International Society for Quality in Healthcare (ISQuA).
- National Accreditation Board for Testing and Calibration Laboratories(NABL) provides conformity assesment body's accreditation to Medical Labs as per International Laboratory Accreditation Cooperation (ILAC).

Role of SAMS in Accreditation

Association with SAMS provides

- Ready access to all other allied services of SAMS for NABH / NABL
- Dedicated IT Team for digital Hospital Management Solutions
