

Clarifications regarding queries from prospective Consultant against Selection of Agencies for providing Annual Maintenance Services for Equipment in various TB Laboratories under FIND, India Project

RFP No. SAMS - FIND- EQUIPMENT AMC-11/2015 (AMENDED RFP) dated 23rd June 2015

Sl. No.	Query	Clarifications provided by SAMS / FIND
1	For the instruments that are under only maintenance (non-PMC category), what is the payment mode. – Shall we assume it to be 25 % for each qtr?	The cost of services for non-PMC category shall be paid quarterly and covered under 15% of Contract cost on each quarter.
2	For any repairs that require some parts locally procured (Rs 500 to Rs 5000). Do we require submitting the Receipts from the vendor along with our invoice for the same?	The original Invoices/ Bills/ Receipts of third party from where the spares procured (Rs. 500- 5000) should be submitted along with bill of AMC agency for reimbursement.
3	Few instrument makes are not specified in the Data provided by you. Can we have make details for the same? Please find attached the xls sheet	Make (wherever available) of such equipment are enclosed at Annexure I.
4	In case of custom made BSL – 3 Labs, we would like to visit the sites to understand the scope our job. Please suggest.	You may visit any of the site with prior information/ approval from SAMS / FIND. Kindly intimate for selected lab for necessary coordination/ support of your visit to identified lab.
5	The issue of HVAC whether it is covered under Airconditioning is yet to be resolved. Please clarify whether HVAC will need to be covered under BSL-3 Equipment or it will be covered under Airconditioning.	Please refer page no. 66 of RFP (PM and Calibration Checklist under TOR), where HVAC or AHU unit is clearly covered under BSL-3 equipment.
